## Stock Exchange of Thailand Halts Trading of CPN

The Stock Exchange of Thailand ("SET") has ordered the trading halt of Central Pattana Public Company Limited (CPN) because CPN has submitted its Board of Directors' resolution to pay dividend, connected transaction, and convene the meeting of share holders to the SET, but such information has not yet been completely released to the public.

Therefore, the SET has temporarily halted trading of the Company's securities, effective from the first trading session until the company has disclosed this Information to the SET and allow such information to be disseminated to the public.
